

The World's Best VOC Technology Is Within Your Budget

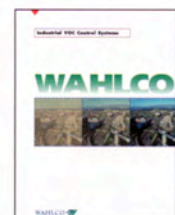

99.99% VOC Destruction 98% Heat Recovery

Wahlco, Inc. brings unique advantages to your VOC control application. Our VOC system designs achieve the world's highest attainable destruction efficiencies—up to 99.99%—and heat recovery—up to 98%. With a working knowledge of over 1,100 oxidation systems and equipment installed in over 75 countries, we apply world-wide engineering and manufacturing expertise to bring you superior performance at an affordable price. Call us today to discuss your VOC control requirements.

The Industry's Broadest Range Of Oxidizer Designs

- Recuperative Thermal
- Regenerative Thermal
- Recuperative Catalytic
- Regenerative Catalytic
- Super Compact Designs
- Pre-tested, Skid-mounted Units
- Adsorbing/Concentrating Units
